

Mark Sharp

A World Cup coach with the Canadian Olympic Alpine Ski team, as well as being an artist, Mark spends most of each year in some of the world's most spectacular and scenic Alpine regions.

However, nowhere inspires Mark's painting as much as the Canadian Rocky Mountains with their endless majestic grandeur, where he has lived with his wife and family since 1989.

Born in England, Mark grew up in South Australia where he obtained his Bachelor of Product Design at Adelaide University. With his design background, his uniquely distinctive personalized style and the use of intense solid colors he brings to life the special majesty of the Canadian Rocky Mountains, set in their own unique and spectacular surroundings.
