

Perks Metal

Michael Perks, is a millwright by trade and a closet artist by heart. 'Perks' not only brings insane creativity to the process but is always good for a laugh.

Perks background includes working for RCR ski resorts for 15 years in varying rolls including operations, snowmaking, millwrighting, welding and snow surfaces. He is also an excellent athlete and has represented Canada at the World level in canoeing.

Michael's other half and co-grinder is Claire Perks. A marketing guru by trade, she prefers to be referred to as an avid adventure racer. Claire's background includes working as the marketing manager for an outdoor brand, various sales roles, and conducting team-building activities. Claire is also an athlete and has represented Canada at the World level in swimming.
